2. There will be four (4) separately sanctioned shows each for Junior Does, Senior Does, and bucks.
  - The Senior Doe show is sanctioned for Saanen, Nigerian Dwarf, Recorded Grade, Nubian, Toggenburg, Alpine, LaMancha, and All Other Purebreds.
  - The Junior Doe Show is sanctioned for Saanen, Nigerian Dwarf, Recorded Grade, Nubian, All Other Purebred, Alpine, and LaMancha.
  - The Buck show is sanctioned for Nigerian Dwarf, Nubian, Alpine, and All Other Purebred.
3. The Junior and Senior Doe shows are separately sanctioned.
4. Saturday June 3: Two rings of show will be held simultaneously for each division beginning at 8:00am with Ring 1. Showing will begin in Ring 2 in the same breed order following the conclusion of the first breed in Ring 1 and continuing through breed order in both rings concluding with the last breed finishing in Ring 2. All 4 rings of the buck show will be shown simultaneously following the conclusion of the Junior Doe show. Each breed will stay in the ring location and the judges and secretaries will move from ring to ring.  
Sunday June 4: The show will start at 8am with Senior Does followed by Junior Does.
5. Papers will be checked and the Official Show Report signed before the judge begins judging another breed.
6. All animals must be individually identified on a Certificate of Veterinary Inspection and originate from herds or areas not under quarantine. The Certificate of Veterinary Inspection for goats will require clinical inspection by an accredited veterinarian within 30 days prior to date of entry to exhibition grounds. All sexually intact goats must be identified with an individual Scrapie Flock of Origin Identification tag or by an official tattoo registered with the USDA (to register, call 1-866-USDA-TAG), and the complete ear tag number or complete ear and/or tail web tattoo number must be listed on the Certificate of Veterinary Inspection. If you use tattoos instead of scrapie tags, complete numbers from both ears (complete tail or flank numbers) must be listed on the Certificate of Veterinary Inspection.  
A statement must be included on the Certificate of Veterinary Inspection indicating that the herd participates in the scrapie program, and listing the official tattoo registered to the herd.  
Any evidence of club lamb fungus, ringworm, draining abscesses, foot rot, sore mouth, or any other contagious disease will eliminate the animal from the show.  
Goats originating from outside of the state exhibiting and/or transported along to be considered for sale at the exhibition must originate from a state-certified brucellosis free herd, or the animal(s) exhibited must have a negative brucellosis test performed within 90 days of the exhibition. In addition, they must originate from a herd having a whole-herd negative Tuberculosis test within the last twelve months, or the animal(s) exhibited and/or brought along must have a record of a negative Tuberculosis test performed within 90 days of exhibition. Brucellosis and Tuberculosis class "free" state status for bovines is not recognized for goats moving into Iowa. Goats originating from outside the state exhibiting and returning to the premises of origin are exempt from testing requirements, with the following statement written by the licensed accredited veterinarian on the Certificate of Veterinary Inspection: "The goat(s) listed are for exhibition only and not for resale."
7. In the event of a question as to the health of an animal, a veterinarian will be called at the owner's expense.
8. Exhibitors must furnish their own feed, equipment (including milk stand) and bedding of wood chips. **NO STRAW ALLOWED.**
9. Exhibitors must clean out their pens before being released. Wheelbarrows and other cleaning equipment will be available and there will be a designated area to dump waste. Please have a member of the show committee check your pens before you leave. We will have youth available to

- clean pens at exhibitors' expense. Please notify Deb Konen by Saturday night if you would like your pens cleaned.
10. All registration papers will be checked upon arrival or at a time to be announced.
  11. Each owner/exhibitor with an individual registering association ID number shall submit a separate entry form.
  12. All animals exhibited must be tattooed and registered with a recognized Registering Association. Owners must provide the reader for microchips used as supplemental identification.
  13. The original registration certificate is required for all animals 6 months of age or older. Animals under 6 months of age may show with a stamped duplicate Application for Registration. Signed transfers will not be accepted as proof of ownership.
